

Thank you to our peer reviewers in 2016

We would like to take a moment to say thank you to the associate editors and reviewers who participated in the peer review process for *Shiraz E Medical Journal* last year. The thoughtful comments and critiques provided by our peer reviewers improved our authors' research, and we are very grateful to all who have volunteered to evaluate the researches submitted to *Shiraz E Medical Journal*. Without our reviewers' contributions, this journal would not be as successful as it is today.

The names of these advisers are listed below:
